The Cuckoo Clock

I bought that idiot cuckoo clock
In a fit of auction fever,
And my dark thoughts overwhelm me,
I search for a name to call myself,
And the bird dares out to tell me,
I sounded like a spendthrift brat

And now as I eye it there on the shelf
At last I recall with total shock
I bought it there on the shelf
I search for a name to call myself
And the bird dares out to tell me
I sounded like a spendthrift brat

Thank you for your letter of Feb.

Hello, Mr Ruby.

March 9, 1964

I realize these are trying days for you - and it would take a ~~feat~~ Herculeses to withstand the hammering on a person's thoughts, from the time his ancestors did or didn't do some darn thing. Jack Ruby - I think you were the one who did what there had to be done, at the exact second that it had to be done.

There has been a small rift in my few remaining relatives, wth my feelings regarding it - But, thank God - everyone to his own. My sister who is - oh - some darn thing - Regent in American Colonists and Colonial Dames of Early America, also of Daughters of the American Revolution BAR, she is on the podium reading the Bible, etc. There are people who like to preach - and there are nice quiet people who know, without joining a fancy dress group. (with lunch included)

Well, the world is beautiful from where I sit - the garden is green & full of most any color kind of "plain" flowers and shrubs. An acacia tree is yellow, in the way of a gorgeous view of the city of Santa Barbara and the Riviera beyond. I am in a narrow canyon, with a tall eucalyptus grove on one side and a range on the other, with a small pasture up at the end of this dead-end lane, horses and new colts, now that it is spring; ~~Foxes~~ were after my tracellos or so ago. Get so wild I talked to the County Hunter, as I had ~~had~~ a sweet tiny white Chihuahua, bow-legged, short-legged, with one brown patch over one eye - too sweet for words. And he wasn't safe out after dusk, so Co. Hunter trapped 5 foxes - streaks almost unbelievable when I am only 5 blocks from a shopping district.

I ~~had~~ lost my pup, and as he was my only little guy - I have been broken up.

3

I wish I had your Mr (San Francisco)
Belli, and maybe Barney Ross - and
you to help me.

The City just decided to take
my precious one-of-a-kind - property
for a cross-town-free-way. And
the price they offered was about $\frac{1}{3}$ (rd)
of its amazing location with view
and its complete privacy - plus a small
but built-forever type of home. Built
to my specifications. I am 60 -
Not too well, and limp like hell -
but I drive an old Packard and
once back when you were a mere
boy, I was the prettiest girl in
the Thirteen Western states, ~~too~~!
Well - they didn't have many beauty
contests in those days, but it was
the Denver Post that said so. And
Mom and little Mildred went to San Francisco
etc etc Honolulu. I love S.F. and lived in
Kloie - & worked for Attorney Hale
McCoven, whom Mr. Belli ^{was} no
doubt cognizant of. After ~~the~~ McCoven's wife
died, he looked me up - and we became close

companions travelling the gold rush country, attending Lar Assoc meetings - & nearly being married - except he had two grown children bigger than I was. So Hale gave me this and another place here & great care.

And one of his 600 fervent love letters said he had made a will, & I would always have "something to live on.

Gov. Warren - at that time appointed him as Superior Court Judge of Mendocino County Northern California. When he finally finished 1½ terms as Judge he retired to travel the world. ^{he was} I had broken my knee & could not keep up with the travel involved. He spent time in Africa big game shooting. His sister & her daughter's husband being with & in the American Govt Employ. But part of a year there and around the world was too much for him and much sooner he was on his way back to me & quiet life, & after the Stanford Game with his family he dropped dead. His son, who is also an atty (Stanford) decided to destroy the Will.

P.I. City Engineer Mr Vic Bartolome gave me N.Y. papers - just his card, said that Monday yesterday he would put my place in escrow & I had the balance of 30 days to protest, get an appraiser, an atty, etc. I can't do all these things - I also refuse to.

Any comment would be appreciated.

"Red Star Steamship Disaster"

I went to the Library yesterday to look for the book you suggested. But it was "out". Any way I don't want to read of any more disasters. I'd rather hear "Hello Holly".

and claim all as next of kin.
I was too alone, lame & broken hearted
to protest, but I still have his direct request

Now the City wants this Heavenly place
 at \$13,000 — $\frac{1}{3}$ rd of its value, if I
wanted to sell; and I do not. I
 positively refuse!

So please send Mr Belli, Dr Ross etc etc
 because when they bring that tractor
 and big ball to knock over this
 home — I'll be ready for
 a ~~goodby~~.

~~They don't do that;~~
 but they will. — unless —

This is a hell of a letter, Jack Ruby
 in view of your own present
 problem.

With the help of Don Belli — we may
 survive. — There are some
 white clouds over the mountain range this
 morning. So quiet, nice. Pink Peach tree, besides
 — oh yes. I love the tune "Hello Dolly - Armstrong".
 I know you must like it too.

Dear Mr. Ruby,

You have been much in my thoughts and prayers since November 24th, when first we saw your name in the newspapers and heard it in the news on the radio and television. Although I do not know you, the Lord spoke to me to write you a note of encouragement. Although the act you committed cannot be recalled, it is now in the past. The Lord still loves you and He wants you to repent of this deed and He will be willing to forgive you. All you have to do is recognize that you are

a sinner, ask Him for forgiveness and He will save you.

It made me happy to hear that you are reading the Bible since this event took place. Maybe you had to come to this before you would turn to God, and His Word; I do not know.

Since I have been a Christian Jesus Christ, my Lord and Savior has never left me down. He is a faithful friend who "sticketh closer than a brother". I know I could not live without Him. I believe He is coming back some day soon to take those who have accepted Him home to heaven to live eternally with Him. On the other hand, those who reject Him will be separated from Him

eternally, and spend an end-
less eternity in Hell, in torment.
It isn't worth having a little
pleasure living in sin while
this earth stands. The Bible
tells us in John 3:18 — He that
believeth on him is not condem-
ned: but he that believeth not
is condemned already, because
he hath not believed in the
name of the only begotten
Son of God. Also in John 3:16
we read: For God so loved
the world that he gave his
only begotten Son, that who-
soever believeth in him should
not perish, but have everlast-
ing life.

What could be more simple
than to have faith and believe

4

that He is the Son of God,
and the Savior of the world.
We can only have inner
peace and joy by allowing
Him to come into our hearts
and lives. When we think of
it, which is more important,
to live a life of sin and spend
an eternity in Hell, or open
our hearts to Christ, and spend
an endless eternity with
Him in Heaven? I hope you
will make the wise decision
to become a follower of Jesus
instead of Satan. It will be
worth it all to live for
Christ. He will be returning
soon for His faithful children.

With prayer,

(Mrs.) Frances L. Stoltzfus

Dear Jack,

I just received your
letter and I give it
my glad to hear from.
Also, I hope you
are feeling well.

Please don't worry
about me, Jack, or
anything I do. I
am on the way down
the road now, and
you will find my
consequences which
I expect result from them.
You were telling me about
the time I spent
at the bottom, I know
it's down there. I
am bound to be your
friend and I don't care
if it is wanted in
the world. If only

everyone had known
you before this occurred.

I still find it
impossible to believe,
that the Devil can't be
dangerous. I will never
allow myself to make one
of us of the Father.
I won't share him

I trusted and confided

* Remember how we
stood by the pool and
talked? I think of
you a great deal, Dick,
and will always remember
how I believed in you.
I'll know you always
had the right answers to
my problems.

As to the Curtis question,
I will explain when

I see you must intend to be present, if possible, at the trial. Please I can afford you a little moral support. I suppose I shall go over now. But please take care of yourself in your silvery sick. Remember me, Jack, and if there is anything I can do, please don't hesitate to ask. With love,
Klaus

P.S. Remember — I am proud to be your friend and proud to call you mine.

Dear Sir

Dear Jack Ruby

I am one of the subscribers

to the New York Times and I am writing you to express my dissatisfaction with the way the paper has been handling the case of Lee Harvey Oswald. I am particularly annoyed by the way the paper has been covering the trial of Lee Harvey Oswald. The paper has been giving a lot of attention to the defense's argument that Lee Harvey Oswald was not responsible for the killing of President Kennedy. I think that this is a very bad idea and it is not fair to the victim's family.

Sincerely yours,

Dear Jack,

This is just a note to tell you that someone is still a long way away and when you have never been in your corner pulling for you. I know you are a good man and I wish the very best for you.

This afternoon on the television I heard that your Patti and your sister come to see you every day. I am glad they do. I am sure you have a wonderful sister.

Again, I and a lot of other people are for you and hoping for you.

the name of Jesus Christ you
might feel angry or sore, or
even feel led to turn up
this letter, but wait one
moment please, I have the
greatest news on earth to tell
you and God is my witness,
as I prayed to this Jesus
Christ and asked Him to for-
give me of my sins, not
only did He forgive me, but
a strange but glorious thing
happened in my life, Jesus
did completely take the love
of sin and wrong doing out
of my life, and gave me
complete peace, joy, happiness
and love. Oh! Mr. Ruby if
only you would ask the
mighty God of Israel to
show you in some way
if Jesus Christ is the

hope of the Jews and gentiles,
the Messiah (the Saviour) from
all sin. I understand you
have a Bible in your cell.
Please read in the Jewish
Old Testament in the Bible
you have. Turn to Isaiah
the 53rd chapter, read this
chapter slowly, prayerfully,
and God definitely will show
you how He sent Jesus
into this world to die for
your sins. Only Jesus Christ
can set you free from
your sins, and give you
peace, perfect peace in
your heart and mind. A
psychiatrist may tell you
you believe something you
know is a falsehood, but
if only you come clean with

God and His Son Jesus Christ, who shed His spotless, precious blood for your sins,
~~You~~ want care what man says, or does to this old
fleshy body, as long as you have peace with God through our Lord Jesus Christ.
Please read the enclosed paper with an open mind, trying to forget what you ever ~~heard~~ ^{believed} or think about Jesus. What God did for these precious Jews, He can do for you. If you would want me to visit you, I would love to if you could possibly drop me a short letter or post card. The enclosed newspaper clipping shows a picture of my wife ~~outside~~ outside of the courtroom during your trial. Remember (over)

we are not against you, God
is not against you, we are
for you, God is for you or
He wouldn't have sent
Jesus to die for yours sins,
mine, and the world. The
psychiatrist and lawyers would
not be defending you if
it wasn't for money, and
their getting publicity around
the world. But Remember Jack
we are praying for you because
we love your soul, for Jesus
Christ the greatest. Paul of

for me and my wife. Looking
to hear from you real soon.

Why Are You Offended ?

A young man looks upon a lovely young lady; her ways, looks, and character entices him to desire her. Out of the love of his heart he woos her - sometimes with sweet messages from his soul - sometimes with a gift. Although his gifts are not perfect: it may be a 10 cent gift, but it's not the price of the gift that counts it's the fact the love from the very depth of his soul has been expressed. Later on he gives her other gifts wooing her on to love him. If she is a faithful and appreciative lady she will appreciate each and every individual gift that is bestowed upon her, her unbiased, wholehearted acceptance of these gifts without reservations, makes her more worthy for him. Out of the rivers of love from his heart he floods his Love One with other gifts as time goes by; Her whole hearted acceptance of all he has to offer proves her worthy as his Bride. Then on Some Great Day out of Jealousy and zeal for her he snatches her up for his Bride with fear someone will steal his precious one from him. She brings forth offspring to and for him, and he is the head of the household. She accepts all he has to offer - if he has poverty and happiness, riches and sadness or what ever it is she accepts it unbiased without reservations. This is symbolic of a type of church bringing forth offspring to the Lord and the Lord's faithful Bride.

Another young man sees a lovely looking young lady and woos her with love from the depth of his soul, with sweet words. Outwardly she acts as tho she accepts his sweetness but inwardly she dislikes this and that of his sweet words. He woos her with gifts, one she likes another she dislikes. As time goes on she is flooded with his love and gifts, but she dislikes almost everthing he has to offer now and she is willing to accept some gifts and others she is offended at. Then he accepts her as his bride and she brings forth offspring she is rebellious and she teaches disrespect to her offspring; who are offended on ever hand at the head of the household. She has not and does not accept all good things unbiased and without reservations - a - contemptuous winch, she turns out to be unworthy, unfaithful and undeserving to receive his inheritance. This is symbolic of an unfaithful church who becomes offended at the messages, love, gifts, and mercy of a True and Living God Who Created them in the beginning, 'Hos Mercy Abounds Forever Amen. She doesn't accept all the gifts, God - G A V E - her, unbiased without reservations; she finds faults with this gift and that gift Until the Potency of the Message is Lost - As she is Lost, L O S T .

Then the third young man seeks his bride in like manner. His words of love disgust his would be bride, the more gifts given her the more disgust she shows and the more offended she becomes with his expressions of love to her. So finally she says to herself, "I have him wrapped around my little finger and no matter how I treat him he will always come back for more punishment." So she goes whoring after other men until she becomes a plain old filthy prostitute only deserving of total rejection. So she never becomes a bride and never brings forth offspring to her true lover. This is symbolic of the church that cleaves to her lover partly but worships idols and places all her hopes in idols.

Now when the Perfect One Comes, Our Lord and Saviour Jesus Christ of Nazareth, Which one of these Brides or Churches do you suppose He will choose? Since He is Perfect He will accept Only that which is Perfect: The - First - Bride Because she was faithful in All Things. Jesus in like manner will snatch His Bride up to keep His Bride from being deceived and tempted by the deceiver, or become the devils bride with his church.

The First Bride represents the church that worships the True and Living God, The Majestic One of Israel, The Holy Creator of the Universe.

The second is the church that calls on the Lord with their lips but their Hearts are far from Him- Who denies His Power, Who denies the Gifts of the Holy Spirit and the Power thereof. The idle god worshiper.

The third church represents the one that worships the idol god and places all their hope in a dead graven image and dead saints.

Now when we witness to one person and ask him to take this Bible -

Do this Now Please- Go get a Bible now and take it in your hands also: Now Accept this Bible and all it has to say and offer from the depth of your Heart. Take Careful notice Now My Love--- "You Have Eternal Life in Y our Hands Now!" "You also Now Possess Eternal Life!" In John 1, 14 Jesus is the Word (Gospel). John 3, 36 And he who believes on - has faith in, clings to, relies on - the Son has (Now Possesses) Eternal Life. But whoever disobeys - is unbelieving toward, refuses to trust in, disregards, is not subject to - the Son will never see (experience) life, But instead the Wrath of God abides on him - God's displeasure remains on him; His indignation hangs over him continually. John 5, 24 I assure you, most solemnly I tell you, the person whose ears are open to my words- who listens to my message- and believes and trusts in and clings to and relies on Him Who sent me has (Now Possesses) Eternal Life: And he does not come into judgment- does not incur sentence of judgement, will not come under condemnation- but he has already passed over out of death into Life. (You're ready for Glory - - - My Friend- Hallelujah Hallelujah) (Glory To God in the Highest Now and Forever More, and Forever More Amen)

John 6, 47 I assure you, I most solemnly tell you, he who believes in Me- Who adheres to, trust in, relies on and has faith in Me - has (Now Possesses) Eternal Life. (Glory to God in the Highest now and Forever More) John 6, 54 He who feeds on My Flesh (Gospel) and drinks My Blood (Spirit) has (Possesses Now) Eternal Life; And I will raise him up (from the dead) on the last day. (Glory to God in the Highest Now and Forever More)

To one type of person when Witnessed to will accept all the Gospel without reservations, wholehearted, and unbiased. He would be a member of the first type of church mentioned (Regardless of his denomination).

To another type of church or person witnessed to they say I believe this but I don't believe that. So my Brother, Tear that page out and lay it over to one side. When you come to another page and gift you don't like tear that page out also and put it with the other. While you're at it tear them all out you don't like and lay them together; Now when you are finished look at the stack of each of them. O.K. M Y Love, Get Ready - A part of the Bible will condemn you to H E L L But - A l l of

it will give you Eternal Life. Look at the two stacks - they are seperate- You don't have the Gospel, only a part of It. It takes all of it to be the Gospcl. Why - are - you - offended? What PERFECT GIFT that God (Your Creator) has G I V E N - You are you Offended at?

Can you accept only part of Him? "NO". John 3, 5 Jesus answered, I assure you, Most solemnly I tell you, Except a man be born of water and (even) the Spirit, he can not (ever) enter the Kingdom of God.

Matthews 4,4 But He replied, It has been written, man shall not live and be upheld and sustained by bread alone, but by E-V-E-R-Y Word that comes forth from the mouth of God. (The whole Gospel). This type of person says "we have a church covenant - this is what we believe in". My Dearly Beloved the Jews had a church covenant also - Look where they are. You can cover your ceiling, inside walls, floor, roof and outside walls with covenants and they won't get you O-N-E foot off the ground.

3
That is your hand writing on the wall. Take that thing down quickly, My Love, and hang the Bible, Gospel, Word, there and let that be Your Belief and Covenant. This person is symbolic of the second type of church mentioned.

Then we witness to a third person, the third type of church. He says "I don't live by that book, that Gospel, we have one of our own we have written". "We live by it". - My D-e-a-r L-o-v-e you do not: Do Not have the Gospel.

Some four or five years ago as I was sleeping I had my First Real Spiritual Experience. I dreamed I was sitting in my living room in a chair, suddenly an erect Pillow of Radiant Bright, Pure White, apparently translucent, Light appeared before me. Brighter than any thing we know of or ever have seen on earth. I called to my wife "This is the Light come get into the Light." I got up out of my chair and got totally and completely into the Light." Suddenly things began to happen, things I never have seen or experienced in all my life. Complete Joy swept my soul and immediately I began to shout praising and Gloryfying God. Saying "Glory to God, Hallaluhah, Hallaluhah!" Suddenly I became limber what so ever. It seemed as tho I woke up shortly and terrifically amazed at the experience - for the first time in my life of 30 some years I felt the full joy of my Salvation. I set up in bed, leaned against the head of the bed just enjoying the full tranquility of Heavenly Rest - and for the first time knowing and understanding how to have Heavenly Peace on the earth Now.

If you accept all the gospel then you, in like manner, are in the Light. John 3, 19 The (basis of the) judgement (indictment, the test by which men are judged, the grounds for the sentence) lies in this: that the Light is come into the world, and people have loved the darkness rather than and more than the Light, for their works (deeds) were evil. 20 For every wrongdoer hates (loathes, detests) the Light and will not come out into the Light, but shrinks from it, lest his works - his deeds, his activities, his conduct - be exposed and reproved. 21 But he who practises truth - who does what is right - comes out into the Light; so that his works may be plainly shown to be what they are, wrought with God - divinely prompted, done with God's help, in dependence upon Him. You are an example of the perfect bride.

If you accept only part of the Gospel you have only one foot, leg, head, arm or only part of your body in the Light; Jump up quickly, My Brother, and accept all the Gospel and plunge all the way in the Light.

If you have a book of your own, you are a type of the third church. You are not even in the Light at all: and you know what to do without Hesitation.

Now if you will not accept my witness of the Light in the 20 th Century the only one that has been any closer to the Light, will have to come from Heaven who lives with the Light: or either the Light Itself. I tell you, He who receives and welcomes and takes into his heart any messenger of Mine, receives Me (in Just that way); and he who receives and welcomes and takes Me into his heart, receives Him who sent Me (in that same way).

One Jew was healed by Jesus and gave witness to His Power and this is what his church did for him. John 9, 34 They retorted, you were wholly born in sin - from head to foot - and do you (presume to) teach Us? So they cast him - O-U-T - T-H-R-E-W - him clear outside the synagogue.

If your church isn't in the Light and you witness of Gods Power

4

they will do you in like manner - but this is what Jesus tells this type of church. John 9, 40 Jesus said to them, if you were blind, you would have no sin; but because you now claim to have sight, your sin remains - if you were blind, you would not be guilty of sin; but because you insist, we do see (clearly), you are unable to escape your guilt.

W H Y - A R E - Y O U - OFFENDED? - AT GODS PERFECT GIFTS?

AH, How it must grieve Our Master
As with loving arms outstretched
He bestows His Gifts upon us
But His gifts, We Do Reject

It's not the dispensation age
The deluded preachers cry
Then when God moves in a Mighty way
They scream, Hog wash, It's all a Lie!

They also say, God does not heal
As in the days of yore
That miracles are not for real
And Spiritual Gifts they do abhor

But believe me Dear Ones when I say
That God still works in a Mighty way
I saw Him Heal the lame, the blind
And then He saved this soul of mine!

So, Do not be offended
At any of His gifts
They will make our burdens lighter
And will give our hearts a lift

Then our Dear Heavenly Father
Who gives His Love so free
Will fill us with the Holy Ghost
What a Blessing that will be

In the name of our Lord and Saviour Jesus Christ of Nazareth

Dear Friend:-

I just received your answer to my
letter, written to you while I lived in U.S. North.
I want you to know that I'm saying that
God in His infinite love will help you during
this time of your travel. Read the 23rd of
Psals. and you will not fear anything.

I joined the State Bible Society
as a member Baptist Ministerial
and I am in the same office now
and like I'll come see you and read a few
words of scripture.

Just know that God will take
care of his own. Just trust in Christ and
nothing can hurt. My prayers are with you
and I feel like God will take care of
everything.

Please answer and until I hear
from you, I'll say, may the Lord's love be
in my prayer, Milton Howell

Dear Mr. Ruby,

We are a group of boys at Nome, Alaska. We were talking this evening about condemnation. You probably know what this means, but for us younger fellows this word is hard for us to understand. The reason we are interested in this word is because in Romans 3:1 it says, "There is therefore now no condemnation to them which are in Christ Jesus....". The Bible tells us that we are all condemned to die because of SIN. Not just you, if you are proven guilty but all of us. We are glad to know and mention that God is willing to forgive all of us of our crimes or sins and we'll never have to pay the punishment that we deserve, because Jesus has already paid it all. The Bible says "How shall we escape if we neglect so GREAT SALVATION..." Hebrews 2:3. The Bible also says "Neither is their salvation in any other, for there is none other name under heaven given among men whereby we MUST be saved." Acts 4:12. We are very glad that Jesus paid the price for our sins on Calvary and now we can have hope by believing in Him. Won't you believe?

Sincerely,

James Apok = age 12

Carl Mignard = age 15

Allen Koot = age = 11

Doug Crabb (boys leader)
we have been thinking of you this evening
and wish that not only you but that
all might come to the knowledge of the
truth of the living God, concerning the
greatest message to mankind, that of
the saving grace of God.

Dear Mr. Ruby,

At such a crucial time in your life I want you to know you are not alone in your desire that the twelve people in Dallas will be aware of your innocence.

The person whose life you took committed more than murder. He took from this nation the finest example of what this nation stands for. He took the life of a man devoted to goodness both for his country and his family. When he was despicably shot down, millions felt outrage because they knew the loss of John F. Kennedy was a loss in progress for the good of all.

This outrage made many insane. People almost everywhere wanted a chance to destroy he that so wantonly took our President's life. The only way you differed from others, was that you had the opportunity. Had you not been there that day, somewhere somehow he would have been killed. There were too too many people against him.

For those who argue you committed the same crime as the President's assassin, they need only recall the loss they suffered last November. The nature of the loss was such that it made you, as others, so insane that correct reasoning was lost for a time.

Again, I hope the jury, as well as people everywhere, will realize this. And that you, perhaps just a little more than others, realized the man John F. Kennedy was, and shall always be remembered as.

Sincerely,

Jean Laird

I have been following your case from the very beginning and I want you to know how greatly I like you must have felt that day - Hitler left. I know you did the same especially after you'd have done the same thing but that happened to Oswald. You deserved just exactly what you got you know. I saw the actual shooting on TV that day and asked your dad if he'd fall on the floor and begged him to make him die. I knew that wasn't right but that's the way I feel about this whole business. I am pregnant with my fourth child due within the next few weeks and if it is another boy I am going to name him after our beloved president. I don't think anything has ever touched me the way this whole dirty
